5. **Opening of the Sports Hall (JRB).** PCC discussed possible events which could mark the opening of the Sports Hall. It was felt that events that involved as many pupils as possible would be best. If possible events should be tied into the Health and Nutrition agenda. Other suggestions included:
 - House sponsored event for charity
 - Sequence of events over a week
 - House competitions
 - Family events
6. **Critical Incident Review** JRB outlined the critical incident and the schools review of how it was handled and our future planning in the light of the incident. Parents were satisfied with the College's handling of the incident and with the review. It was suggested that the College should have a "Lock in Drill" to check that procedures are satisfactory.
7. **AOB.**
 - **Exam Fees** Exam Fees are paid in full to the SQA. There was a recommendation that this should be outlined in the Fees document so that it is clear for parents.
 - **Colours** Colours for Schola pupils was raised. JRB will investigate the matter.
