## FEES

Our fee structure is decided annually by our Board of Governors.

Tuition fees and Capital Levy are inclusive of VAT at the prevailing rate of 20%.

Tuition fees include provision of textbooks, personal accident insurance, travel to and from sports grounds during weekdays and return travel to and from the College on Saturday mornings for team members playing away fixtures. Charges for external examinations and wraparound care are not included and will be invoiced separately.

The Capital Levy is used to fund improvement and maintenance of the College facilities and equipment.

Tuition fees are invoiced on a termly basis (there are 3 terms) and Capital Levy is invoiced at the beginning of the academic year.

## DIRECT DEBIT

The default method for school fee payments is Direct Debit. Tuition fees and Capital Levy can be paid in equal instalments at the beginning of each term or in equal instalments over 9, 10 or 12 month periods.

## ANNUAL PAYMENT IN ADVANCE

Payment of the full year's fee, including Capital Levy, with cleared funds by 20 August 2026 will attract a discount of 0.75% on the total balance. Please send your request to [billing@staloyusius.org](mailto:billing@staloyusius.org).

## OTHER PAYMENT METHODS

The College also accepts direct bank transfer and payments by card. All invoices will contain a link for card payments and College bank details.
