## **Website & Enquirers Privacy Policy**

**Last updated: May 2018**

**ICO Registration Number: Z7328006**

Thank you for visiting/enquiring about **St Aloysius' College**. Your privacy is important to us. This Privacy Policy is where we explain to you what personal information is collected when you visit our site or make an enquiry, how it is collected, how we may use that information, where we store it, how long we store it for, and how we protect it. We will also explain your rights in relation to your personal information.

Please read the following carefully to understand our views and practices regarding your personal information and how we may collect it and treat it. For convenience, we have divided our website and enquirers data protection policies into three separate pages:

### **1. Our Website & Enquirers Privacy Policy**

This policy explains generally how we collect, use, store, and protect the personal information you give us via the website or when making an enquiry.

### **2. Our Cookie Policy**

You can find out more about how we may collect personal information about you via cookies [here](#) (it also explains what cookies are).

### **3. Our Website & Enquirers Retention Policy**

You can find out how long we may hold onto the personal information [here](#).

## **WHO WE ARE**

St Aloysius' College is a company limited by guarantee (SC405951) registered in Scotland. We are a Jesuit school and a charity registered in Scotland (SC042545). Our registered office is 45 Hill Street, Glasgow, G3 6RJ. But, for the purposes of this Privacy Policy, it's just easier if we refer to ourselves as **"we"**.

## **WHAT THIS PRIVACY POLICY GOVERNS**

This Privacy Policy applies to our site, [www.stalloysius.org](http://www.stalloysius.org) and any other services that we may provide to you through our site (we'll just call these **"our services"** for short) or when you correspond with us by phone, e-mail or otherwise (for example, at College open events) at an initial enquiry stage.

In the context of this Privacy Policy **"personal information"** means information which, on its own or in combination with other information, can be used to identify you, in particular by reference to an identifier such as your name, your address, or location data.

Provided that you consent to us collecting your personal information when you visit our site then this Privacy Policy will govern how we may use that personal information.

Because we are a school located in Scotland the personal information that you give us or that we collect from you will be held under Scottish data protection legislation (but we'll just refer to this as **"the legislation"**). The legislation requires that we tell you that we are a data controller for your personal information or, in other words, we determine the purposes for which and the manner in which any of your personal information are, or are to be, processed by us.

## **HOW YOU CONSENT TO US COLLECTING YOUR PERSONAL INFORMATION**

When you visit our site you should see a pop-up at the bottom of your screen directing you to this Privacy Policy and our Cookie Policy.

By clicking or selecting the **"I Agree"** button that appears in the pop-up then you are demonstrating to us that you are freely giving us informed and specific consent for us to collect and process your personal information for the purposes specified in this Privacy Policy and you are accepting and consenting to the practices described.

If you do not click or select the **"I Agree"** button that appears in the pop-up at the bottom of your screen then we will endeavour to not collect your personal information – this is subject to the caveat below.

If you do not see a pop-up at the bottom of your screen then you may have already accepted our Privacy Policy and our Cookie Policy. You may also be using a pop-up blocker or similar tools that may prevent this policy from being brought to your attention. Please ensure that any pop-up blockers are disabled when you use our site. We cannot be held liable to you if you use pop-up blocks or similar tools that prevent us from complying with our obligations under the legislation.

*Caveat: Even if you do not click or select the **"I Agree"** button there is still some information that we may automatically collect about you – this normally isn't personal information but rather technical information sent by your device and used to connect your computer, tablet, or mobile device to the Internet, including your browser type and version, the time when you visit our site, your time zone setting, certain browser plug-in types and versions, operating system and platform. This type of information is sent by you to our site automatically and it isn't something that we can prevent. We only use this information to administer our site including troubleshooting, load testing, traffic throughput, data analysis, performance testing, and for anonymised research and statistics purposes that we only use internally.*

If you enquire via telephone, email, or otherwise (for example, at College open events) we will collect any information you provide as per this Privacy Policy and accompanying Retention Policy. We will not send you marketing communications unless you have specifically requested them.
