**St Aloysius' College**

## **Privacy Statement for Governors (or Prospective Governors)**

**ICO Registration Number: Z7328006**

This document provides you with information about how we are handling, or are intending to handle, your personal information.

We are committed to protecting and respecting your privacy and complying with the principles of the General Data Protection Regulations (GDPR). This notice sets out the basis on which any personal data we collect from you, or that you provide to us, will be processed by us. Please read the following carefully to understand our views and practices regarding your personal data and how we will treat it.

### Who We Are

St Aloysius' College (The College) is a company limited by guarantee (SC405951) registered in Scotland. We are a Jesuit school and a charity registered in Scotland (SC042545). Our registered office is 45 Hill Street, Glasgow, G3 6RJ. But, for the purposes of this Privacy Policy, it's just easier if we refer to ourselves as "we" or "The College".

### Collection of personal data

The College may collect and/or create or otherwise obtain and process the following data about you:

- Information about you that you provide by filling in forms or contacting us (e.g. through email, letter, phone);
- Information about you that the College generates in performing its duties (e.g. notes from a meeting);
- Information from third parties where you consent to those third parties sharing information they hold on you with us, and/or where those third parties lawfully share your information with us (e.g. referees).

### Uses made of your information and the basis of processing

We will use your personal information to allow the smooth running of the governing body of the College. The school will therefore have what is called a "legitimate interest" for processing basic personal data.

The College will not use any of the personal information we collect from you to make automated decisions.

The College expects that the following uses will fall within its “legitimate interests”:

- To support the smooth running of the governing body (e.g. contact details, relationships to other pupils and parents/guardians, occupation to enable appropriate contact regarding collaboration about careers talks, work experience);
- For security purposes when you visit the school, including CCTV in accordance with the school’s CCTV policy;
- Development Office;
- To carry out or cooperate with any school or external complaints, disciplinary or investigation process; and
- Where otherwise reasonably necessary for the school's purposes, including to obtain appropriate professional advice and insurance for the school.

In addition, the school will on occasion need to process **special category personal data** (concerning health, criminal records) in accordance with rights or duties imposed on it by law, including as regards safeguarding, or by explicit consent where required. These reasons will include:

- To provide appropriate medical care where necessary, and to take appropriate action in the event of an emergency, incident or accident, including by disclosing details of an individual's medical condition or other relevant information where it is in the individual's interests to do so: for example for medical advice, for insurance purposes or to caterers who need to be made aware of dietary or medical needs; and
- To provide adequate safeguarding checks in establishing the suitability of potential governors.

### Information security

The College will take all steps reasonably necessary including policies, procedures and security features to ensure that your data is treated securely and protected from unauthorised and unlawful access and/or use, and in accordance with this notice.

Where we have given you (or where you have chosen) a password which enables you to access certain systems, you are responsible for keeping this password confidential. We ask you not to share such a password with anyone.

### Data sharing

We will share information about you with some of our suppliers who process data on our behalf to help us to provide services to you. We undertake this data sharing on the basis of our legitimate interests.

### Categories of organisation and purpose

- **Online Software** – to organise meetings effectively.

### International transfer of personal data

We do not envisage transferring your core data to anyone who is located outside of the European Economic Area. However, the online software used to organise board meetings is based in the USA. Governor’s names are used to create accounts in this system. We will

ensure that we create and maintain appropriate safeguards with those organisations so that your personal information is subject to the same standards and protections as when we are processing your personal information inside the European Economic Area.

### Data retention period

We will hold information about you in our data systems only for as long as we need it for the purpose for which we collected it, which is as follows:

- Data relating to the recruitment process of potential Governors who do not take up a role will be retained for 1 year.
- The retention period for most governor data will be 25 years.
- Annual Reports and accounts are retained for 7 years.
- The minutes of governing body meetings will be retained indefinitely.
- Data relating to Child Protection Issues will be retained indefinitely.

These can all be modified by any other legal obligation the school finds itself under.

### The data subject's rights

Under the GDPR, you have rights as an individual which you can exercise in relation to the information we hold about you.

You can read more about these rights here – <https://ico.org.uk/for-the-public/is-my-information-being-handled-correctly/>

### Changes to our privacy policy

Any changes we may make to our Privacy Notice in the future will be posted on our website and, where appropriate, notified to you by date-stamped communication.

### How to contact us

If you wish to contact us about your personal data or exercise any of the rights described above please contact the Data Compliance Lead.
